TO MY ONLY LOVE, CYNTHIA

Cynthia, my love so true,
Every day, I think of you.
Your happiness sings, your love is bright,
You make my world much brighter.

No one else could take your place,
No other heart, no other face.
With every breath, with all my days,
I'll love you in a million ways.

Through storm and sun, through joy and pain,
I'll stand by you, again and again.
Forever yours, this love won't fade,
With you, my heart is home, is safe. ❤

Forever Yours,
